#### II The industry nowadays in China

### **II-1** Current production situation

#### - Summary of manufacturers

From the various sources as of October 2007, 63 companies/factories have been reported to engage in the business of Glyoxylic acid. Then extensive telephone interview has been conducted to verify the actual situation of these companies. But after verification, it was found that 26 companies were finally excluded from the study because they are not doing the Glyoxylic acid business at all.

. . . . .

The detailed information of the active producers has been recorded in this Word document, in separate part: **Profiles of manufacturers**.
